About us

The Privacy SIG reviews user interface design, data storage, Okapi platform design, and inter-module communication for concerns related to the privacy of personally identifiable information. (For more details, see about the Privacy SIG.)

Communication Channels

- Discuss.folio.org Category
- Privacy SIG Mailing List
- Wiki space (this page)

See FOLIO Communication Spaces for more details about the project's communication channels.

Meetings

The Privacy SIG meeting time meets every four weeks at 9:00am Eastern U. S. time. For more details, see the Privacy SIG Meeting Notes.

SIG Convener

For more information about the Privacy SIG, contact the PRIV-SIG convener, Carsten Schwill and Adam Chandler.

Presentations

Update on work of FOLIO Privacy SIG at WOLFcon22: recording; presentation starts at 9 minute 20 seconds mark.
