About us

The Accessibility SIG works with the developers and the user interface designers to ensure principles of universal design are embedded in the FOLIO platform and apps. (For more details, see [about the Accessibility SIG](#).)

Communication Channels

- [Discuss.folio.org Category](#)
- a11y-sig@ole-lists.openlibraryfoundation.org mailing list
- [Wiki space](#) (this page)

See [FOLIO Communication Spaces](#) for more details about the project's communication channels.

Meetings

The Accessibility SIG meets monthly on Tuesday at 9:00am Central U.S. time. For more details, see the [Accessibility SIG Meetings and Notes](#).

SIG Convener
