

On-Boarding Developers

The dev.folio.org website provides [on-boarding information](#) for all FOLIO developers. Please take the time to become familiar with the information provided and follow the instructions given.

Additional OLF On-boarding (for developers from OLE partner institutions)

1. Email your [Google account name](#) to [Anne Highsmith](#) and she will arrange for you to have access to the Open Library Foundation Google Drive named [OLF_Shared](#).
2. Contact information for individual OLF developers is available [here](#). Please [add your name, email address, and phone number](#) if it isn't there already. Note that the names are sorted alphabetically by first name.
3. Watch the recording of the FOLIO Forum titled [The FOLIO Development Process: It Takes a Community](#) to learn about our approach to development. (The slide deck is available [here](#).)
