About us

The Resource Access SIG works with developers to define essential circulation functions: checking out and discharging library materials. Defines patron types, loan types, fines and fees structures, recalls, holds. Defines essential reporting functions. Advises developers on the interactions needed between libraries and other parties necessary for successful sharing of resources, whether through shared consortial collections, interlibrary loan options, or other mechanisms.

Communication Channels

- Discuss.folio.org category
- folio-ra Mailing List
- Wiki space (this page)

See FOLIO Communication Spaces for more details about the project’s communication channels.

Meetings

The Resource Access SIG meets via Zoom on Mondays and Thursdays at 10am CST / 11am EST / 5pm CET. For more details, see the RA SIG Meeting Tasks and Notes.

SIG Convener

For more information about the Resource Access SIG, contact the SIG-RA convener, Andrea Loigman.
