

Report Prototype Working Group Meetings

[Create meeting note](#)

The Report Prototype Working Group is comprised of members of the FOLIO Reporting SIG who are actively:

- building reporting data models to support the FOLIO Reporting Requirements
- testing the Library Reporting Database to prepare FOLIO participating institutions to implement their own reporting "data warehouse" environments
- testing reporting applications to be used against the Library Reporting Database

The Report Prototype Working Group meets weekly on Mondays at 10am EDT over Zoom.

Here is the Zoom Link information for Report Prototype Working Group Meetings:

Meetings are held on Mondays at 10:00 Eastern U.S. time. ([See this time in your time zone.](#))
