About us

The Public Library SIG has two areas of focus:

1. provides a public library community “touchpoint” for public librarians and library staff interested in learning more about FOLIO and development initiatives, and
2. identifies the unique and specific needs of the public library community related to FOLIO development, to be communicated to a large number of relevant SIGs for development consideration.

Communication Channels

- Discuss.folio.org category
- Mailing list
- Wiki space (this page)

See FOLIO Communication Spaces for more details about the project’s communication channels.

Meetings

The Public Library SIG meets via Zoom on the third Wednesday of each month at 3:00 PM Eastern U.S. time (see time in your timezone). For more details, see the SIG-PUBLIB Meeting Tasks and Notes.

SIG Convener

For more information about the Public Library SIG, contact the SIG-PUBLIB convener, Adam Murray.
