About us
The Accessibility SIG works with the developers and and the user interface designers to ensure principles of universal design are embedded in the FOLIO platform and apps. (For more details, see [about the Accessibility SIG](#)).

Communication Channels
- Discuss.folio.org Category
- Slack channel #accessibility
- a11y-sig@ole-lists.openlibraryfoundation.org mailing list
- Wiki space (this page)

See [FOLIO Communication Spaces](#) for more details about the project's communication channels.

Meetings
Note: meetings are currently suspended until a new Accessibility SIG convener is identified. Conversations are ongoing in the #accessibility slack channel.

The Accessibility SIG meets monthly on Tuesday at 9:00am Central U.S. time. For more details, see the [Accessibility SIG Meeting Notes](#).

SIG Convener
For more information about the Accessibility SIG, contact the A11Y-SIG convener, [Elizabeth German](mailto:elizabeth.german@ole.org).
